### **Share It:**

In studying about Stewardship there is a VERY important principle we must establish first:

1. **Deuteronomy 10:14** - everything belongs to God  
Who usually decides what happens in a home or a business? the owner.  
What is a steward? A person who manages another's property or financial affairs.  
A person who has many possessions usually puts someone in charge of those possessions. We just saw that God is the owner of ALL. Let's see who He puts in charge of all His possessions . . .

2. **Genesis 1:26** - Here God assigned Adam as the steward of everything on this earth. Adam represents mankind here. We are stewards of God. Everything we own, even our lives belong to Him.

Let's see what God requires for us to do with what He has entrusted to us . . .

### Money

3. **Malachi 3:8-10** - What was God expecting them to bring? tithe and offering. What is a tithe? It is the tenth or 10% of our earnings.

Is that all God asks from us? No, He also asks for an offering. Free will gift of thanksgiving beyond the tithe.

What does He consider those who do not give Him tithe and offering? Robbers/thief In other words this is considered as breaking one of God's commandment. Thou shall not steal.

Where does it say to bring the tithe? Into the storehouse. Where is the storehouse?

Is it a room in my house? Could it be a savings account in the bank? Like good students of the Bible, let's see what the Bible says . . .

4. **Nehemiah 10:37,38** - to the house of our God, God's house=church Some may say, well I can't trust the church. So, I keep it and give it to the poor and needy myself. Well, let's see what Jesus says about giving to a church that can not be trusted . . .

5. **Luke 21:1-4** - Jesus knows that the church was in apostasy, they were even plotting to kill Him. So, when He sees this, He quickly says: "NO, don't give your money to the church, don't you know they are going to misuse it? Is that what He said? NO. Instead, Jesus commends her for giving despite the condition of the church.

Some may say, well you know it is my money it really isn't God's because I'm the one that works to earn it. If I don't go to work, no money comes. So, it's mine! Let's see what the Bible says about that . . .

6. **Deuteronomy 8:18** - Who gives you even the strength to work? God. You wouldn't even be alive if it wasn't for Him.

Let us look at a story that will help us understand clearer this concept of stewardship . . .

7. **Mark 10:17-30**

**vs. 17-23** - What a sad story!!

What did this young man have? great possessions

How many of those possessions does he own now? None of them.

How much did he gain by keeping these possessions? Nothing

How much did he loose? EVERYTHING

Jesus says "How hardly . . ." This left the disciples surprised. And Jesus went on . . .

**vs. 24-25** - Here Jesus illustrates this concept by using a camel-one of the largest land animals in Palestine and the eye of a needle - one of the smallest openings known to the Jews of the day. Here he presents an IMPOSSIBILITY! This left the disciples confused . . .

Basically Jesus is saying it is IMPOSSIBLE for a rich man to make it to heaven. But, this presents a problem in the disciples minds, and in ours . . . what about Abraham, Job, David, they all had great possessions and from the Bible account we can deduct that they will be in heaven. Praise the Lord Jesus didn't leave the disciples confused, let us continue reading to see what He says . . .

**vs. 26-27** - "With man it is impossible" - it is impossible for a man who has riches to make it to heaven, but then it says . . .

"but not with God; for with God all things are possible" - if a man surrenders all His riches to God, then the man as well as the riches are with God and with God all things are possible"

While we are holding on to the riches, it is impossible for us to make it to heaven, but once we surrender it all to God, then the way is clear for us. When you surrender it all to Him, then you are leaving it to Him to decide to do with it. It is God's greatest desire that you are in heaven, so if He sees that the riches will keep you from being saved, He will take them from you.

### **vs. 28-30**

What is the promise He give to those who leave all?

How much did God give for us? ALL

8. **Luke 14:37** (Matthew 10:37) - God asks us to give it all

9. **Luke 5:27-29** - How much did the Levi left? ALL

But, it goes on to say that after that the Levi made him a great feast in his house. If he left all, how does he still have a house and how is he able to give a feast?

To leave/give all means to surrender it all to God. In other words, you are willing and ready to give any or all of it at any time God asks of you.

When He ask us to give it all, what is He asking us to do? to be like Him.

We established at the beginning that how much belongs to God? EVERYTHING! Not just money, everything! When we talk about stewardship we usually think of money, but God wants us to be good stewards of ALL that He has given us.

Money - some have much, some have little

But there is something God gave us that we all have the same amount of, what is that?

TIME. Time is one of God's greatest gift! Let's look at some principles in the Bible of what God expects us to do with our time . . .

### Time

10. **1 Thessalonians 5:17** - pray without ceasing

11. **John 5:39** - search the scriptures

12. **Matthew 28:18-20** - we are to take part in the work of spreading the gospel.

13. **James 1:27** - ministering to people in need

14. **Matthew 25:34-36** - ministering to people in need

Some may say, well I just don't have time! But, we all have the same amount of time, it is all about how we use the time that we have.

#### Talents

15. **Romans 12:4-11** - dedicate your talents to God by using them in the work of the church

#### Our Bodies

16. **Romans 12:1-2** - give our bodies a living sacrifice. God expects us to be good stewards of our bodies by adopting good lifestyle habits. We will be learning more about this in a future study.
