1. **Romans 2:16** - Is Romans before or after the cross? *After*. Paul says that God will judge - future judgment - done by Jesus Christ.
2. **Acts 17:31** - Is Acts before or after the cross? *After*. Luke says that God will judge - future judgment - done by Jesus Christ.
3. **Revelation 22:11,12** - Prior to the Second Coming, Jesus declares who is righteous/unrighteous. Jesus brings a reward.
4. **Acts 24:24-25** - The judgment in each case is yet in the future.

When does this judgment start?

- 5. Daniel 7:9-14** (4 beasts, Rome divides, Little Horn, Judgment, Second Coming)
- 6. Daniel 7:19-22** (Fourth Beast, Ten Horns, Little Horn, Judgment is given, Second Coming)
- 7. Daniel 7:23-27** (Fourth Kingdom, Ten Horns, Little Horn makes war with saints, Judgment, Second Coming)

- 8. Daniel 8:1-14** - The vision
 - 1** - 3rd year of Belshazzar Daniel has a vision = "hazon"
 - 2** - vision = "hazon"
 - 3** - Ram with two horns, the higher one came up last
 - 4** - Horizontal power, stays on the face of the earth, became great
 - 5** - Male goat which has a notable horn between its eyes
 - 6** - Goat attacks Ram
 - 7** - Goat breaks Rams two horns and destroys him
 - 8** - Goat became very great, the notable horn breaks and four horns replace it which grew up to the four winds of heaven
 - 9** - Out of one of the four winds comes a little horn which becomes exceedingly great.
 - 10** - Grew up - vertical power. Cast down host and stars to the ground and tramples them
 - 11** - Exalts himself as high as the Prince of the host.
"He" = Little horn
"Him" = Little horn - takes away the daily
"His" = The Prince of the host
 - 12** - Transgression allows the little horn to get an army to oppose the daily
Casts down truth and prospers
 - 13** - Two holy ones are speaking. One says to the other, "How long will the vision be?" Vision = "hazon"
 - 14** - The answer comes when the Sanctuary is cleansed, 2300 days.

- 9. Daniel 8:15-27** - The explanation of the vision
 - 15** - Vision = "hazon"
 - 16** - Gabriel is commanded to make Daniel understand the vision. Vision = "hazon" (the portion of the vision with the men in it).
 - 17** - Vision = "Hazon"
 - 18,19** - The end is at an appointed time
 - 20** - Two horned ram = Media and Persia
 - 21** - Goat = Greece, Notable Horn = first King - Alexander the Great
 - 22** - Four horns = four kingdoms, but not with its (Alexander's) power
 - 23** - latter time of their (four kingdoms) kingdom. Another King arises who understands sinister schemes (Papal Rome). We know that the little horn is Papal Rome by comparing it to Daniel 2 and Daniel 7.

24 - Little Horn has power that is not his own. Where did the little horn get its power? Revelation 13:1,2 Power comes from the dragon. Revelation 12:9 dragon = serpent, devil, satan.

538 AD - 1798 AD = 1260 prophetic days/literal years that the papacy has dominion. (50-100 million Christians were destroyed). He did it in the name of God.

Destroys mighty and holy people - fulfillment of Daniel 8:10 cast down host and stars.

25 - Magnifies himself in his heart - Isaiah 14:12-15 (stars = angels Revelation 1:20) On the North side of the sanctuary was the table of showbread = the table of His presence. Little horn is a representation of satan working through an earthly power to magnify himself.

Stands up against the Prince of princes - Jesus. When Jesus ascended into Heaven, He became our High Priest in the Heavenly Sanctuary. Performs the daily ministry of the Heavenly Sanctuary: transferring the sin from the people onto the animal, sacrificing the animal and taking the blood into the Sanctuary. The little horn stands against this by having confession.

Broken without human means: During the reformation the power of the papacy was broken via Bible study. Secondary meaning: Second coming of Jesus.

26 - 1st Vision = "mareh" 2nd Vision = "hazon"

27 - Vision = "mareh", no one understood it

Gabriel was commanded to help Daniel understand, but now Daniel is saying that no one understands. Gabriel was unable to finish explaining it because Daniel fainted and got sick. Every part of the vision was explained except for the "mareh" which is the part that he needed to understand.

10. Daniel 9:20-24

21 - Vision = "hazon"

22 - Gabriel comes to give Daniel skill to understand

23 - Vision = "mareh" (the element where the two men were speaking)

24 - 70 weeks are cut off (chathak) of the 2300 days of the "mareh" that Daniel didn't understand

490 days of the 2300 days = 1810 more years

70 week prophecy ended fall 34 AD + 1810 = fall 1844

In 1844 was there an earthly Sanctuary? *No.*

What Sanctuary is left? *The Heavenly Sanctuary.*

Jesus is in the Holy Place from His ascension until 1844 performing the daily ministry of the Heavenly Sanctuary.

In 1844 He moves into the Most Holy Place to perform the yearly ministry.

1844 was the beginning of the cleansing of the Sanctuary in Heaven.

When Jesus ascended to Heaven He had to follow the pattern of the early Sanctuary service so He had to go to the Holy Place first to do the daily ministrations.

11. Mark 16:19 - Jesus sits on the right hand of God. God's throne is in the Holy Place, symbolized in the earthly Sanctuary by the table of showbread - bread of His presence.

Do you want to see a Biblical picture of Jesus and the Father in the Holy Place?

12. Revelation 1:12,13 - John sees Jesus among the lamp stands, which are in the Holy Place.

Now we'll see a picture of God's throne moving from the Holy Place, into the Most Holy Place.

13. Daniel 7:9-14

9 - Thrones being set-up, the Ancient of Days was seated. There are burning wheels on God's throne. It has wheels so that it can move.

10 - The court was seated (literal translation: began to sit), books are opened

11-13 - When Jesus goes into the Heavenly Sanctuary, the daily that was performed on earth is recognized as done in Heaven. This judgment is after all of the kingdoms.

Jesus comes to the Ancient of Days (God the Father) and judgment begins. This is what William Miller missed, he didn't realize that Jesus came to the Father, not to the earth.

What is Jesus doing in the Most Holy Place?

14. Malachi 3:1-6 - Explain refiners job: crucible, fire, dross (impurities on the top). The heat of the fire caused the impurities to come out. The refiner knows that the metal is pure when he can see his own reflection in the metal perfectly. The refiner would not leave the metal in the fire too long or else it would evaporate.

Those who are dead are judged according to their lives. Those who are alive are being refined by His fire.

Appeals: Are you willing to let the refiner purify you?

The 2300 day prophecy is the last time prophecy in scripture. Ever since 1844 we have been living in the end of time. The reason Jesus has not come yet is because He has yet to find a people that perfectly reflect His character.

We will stand in the sight of a Holy God without an intercessor. Are you prepared for that? If Jesus were to come back tomorrow, if He made the determination today, "He that is filthy, let him be filthy still and He that is holy, let him be holy still," what group would you be in? I want to be in the group that is declare righteous. I trust that God in His grace will make the right decision.
