1. **Revelation 14:6-7**

What does the Bible mean when it says that we are to glorify God? How can we give Him glory? (singing, praying, helping others) What about what we eat and drink?

2. **1 Corinthians 10:31** - Is it possible to eat and drink in a way that would bring glory to God? Is it also possible to eat and drink in such a way that would not bring glory to God? Notice what God has to say about our body.

3. **1 Corinthians 6:19,20** - Someone may say it is my body so I can do what I want, but the Bible says that your Body belongs to God. If you buy a new car and a month later it is trashed, then I will not care. If you borrow my car and bring it back in a month then I would be upset! What does God think about us abusing what He has given us?

Take extra good care because our bodies are not our own.

4. **1 Corinthians 3:16-17**

God gives us a strong warning about what we should do with our temple. It is not our body, but it belongs to God. If we love Him then why would we want to mess up something that belongs to Him? Now let's look at what God wants for us.

5. **3 John 2** - God loves us and He wants us to be in health. He has provided us with health principles to guide us. The Bible says that God wants us to be as physically healthy as spiritually healthy.

Let's look at the Biblical guidelines.

6. **Daniel 1:8,12-15** - Purposed = decided, put his foot down.
Pulse - original Eden diet = grain, nuts, fruit.
15 - Healthier and better nourished

Let's find out God's original diet for us.

7. **Genesis 1:29** - Fruit, seeds, nuts
This is the original diet, but what happened in the garden? Adam and Eve ate fruit that they were not supposed to and they lost access to the fruit from the tree of life.

God provided something for them after sin entered.

8. **Genesis 3:18 (9:1-3)** - Herb of the field = vegetables.
Every living thing = this was after the flood so the people already knew which animals were clean and which were unclean - Genesis 7:2
Even as the green herbs - they knew there were plants that they should not eat, as there were animals that they should not eat. Since there were only two of the unclean animals, if they would have eaten one we wouldn't have that animal today.

Does this verse tell us which animals we shouldn't eat? Let's look at what the Bible says about clean and unclean animals.

9. **Leviticus 11:47 (Leviticus 11)** - Leviticus 11 is about what is clean and unclean and between which animals are to be eaten or not.

3 - Mammals: cloven hooves and chews cud

9 - Fish: fins and scales

13-19 - Birds: "Do not eat" birds, birds of prey

21-23 - Bugs: Creeps on all fours and has jointed legs above its feet

10. **Leviticus 3:17** - No fat or blood

11. **Deuteronomy 12:23** - Blood is the life

We've learned how we can honor God in what we eat, let's learn about how we can honor God in what we drink.

12. **Proverbs 23:29-35** - Don't even look at it. Drinking it addictive, you are no longer in control of yourself, it controls you.

13. **Proverbs 20:1** - Don't you want to be wise? What does the Bible say about those who drink?
They are foolish.

14. **1 Corinthians 6:10** - Will those who drink inherit the Kingdom of God? Drunkards = those who drink. Don't you want to inherit the Kingdom?
Why aren't people allowed to drive drunk? *Alters your mind, lose control.*
Why would you want to have that in your life?
If you had a dog that bit 1/5 people who came to your house, would you keep it?
Statistics show that 1/5 people who drink will become alcoholics.

How can we overcome?

15. **Romans 13:14** - Make no provision - stay away!
If you struggle with junk food, stay away from the snack aisle.
If you struggle with spending money, stay away from the mall.

16. **Philippians 4:13** - I can do ALL things through Christ who strengthens me. Not just a few, not some, but ALL things.

17. **Psalms 84:11** - God will not withhold good things from us

Appeal: 1 Thessalonians 5:23
